PERSONAL MOTIVATION

Dear Sir/Madam,

I refer to the above and wish to confirm my motivation in my application to your company as follows:

I am a young and passionate helicopter pilot whom has recently obtained his CPL (H) licence. I am extremely driven and more than willing to put in the hard miles (hours) to show my worth to your organization if afforded an opportunity to do so.

I am diligent and will ensure that all my tasks are achieved with the greatest of care. I will endeavour to always be punctual and strive to ensure that your clients (internal and external) are always attended to with the utmost respect and attention.

I am willing to relocate and start from the bottom whilst working my way to the top and believe that my fun loving nature would enhance your organizations immaculate reputation and prestige.

I trust that you will consider my application with due diligence and I will be awaiting your favourable response regarding same.

Yours Faithfully
